Dated, the 29 Feb'2016

To,

All firms registered with CPC

Sub:-REG. APPOINTMENT OF DISTRIBUTOR.

Presently only one distributor for each company/firm is allowed in Pan India operation for supply of CPC stores. Considering the difficulties being experienced by the firms to supply their items registered with CPC inventory to far-flung areas, it has now been decided during Central Administrative Committee meeting on 26/02/2016 that the firms can appoint more than one authorized distributor in their respective states for maintaining smooth supply to far-flung areas after getting prior approval from Central Office, CPC/MHA.

02. This is for your information and smooth supply of CPC items in time please.
